Package Details

We offer two great packages for you to choose from: **IDEA & IDEAPLUS**

IDEA

You get: **one layout plan**

Are you searching for a well designed house plan which fits yours plot size?
Ghar Design's IDEA package is an ideal place for you to get it.
From our collection of 1000+ designs, we will find one great design layout for you. Our designers will adjust it to your design requirements and plot size. We offer the best online house plans with the help of which you can design your dream house the way you want to.

PLOT SIZE	PRICE
Up to Plot size of 900 sq.ft	Rs. 600/-
Between 901-2500 sq.ft	Rs. 1500/-
Between 2501-7200 sq.ft	Rs. 3000/-
Above 7200 sq.ft & Farmhouses	Rs. 4500/-

Features

- Price quoted is including of service tax.
- The plan provided by us is for Reference only and not for construction.
- Structural safety drawings & measures, Sanitary, Water Supply, Electric Installation, etc will be managed by owner as per Local bye laws and site conditions
- Door and window will be shown in plan but sizes and shape will be adjusted by owner.
- If you require any modification in plan, additional charges @Rs.500/- will be charged (in advance) for each modified drawing version.
- We will send drawing(s) in A3 size paper format
- After receiving a payment, we will dispatch drawing within 3 days.

IDEAplus

You get: **one layout plan +door window schedule + front elevation**

Searching for a well designed house plan which fits yours plot size plus some essential details which help you in execution?
Ghar Design's IDEAPLUS package is an ideal place for you to get it.
Our Architects not only design a great plan but also work out Door-window schedule and front elevation along with it. Our home plans offer designs taking care of your requirements in detailed ways, resulting in a unique solution.
